### R. M. SOPER.

Prescott, Aug. 23:-(Special.)-Governor Sloan has received a request from Fred Carpenter, secretary to President Taft, asking him to prepare a program for the national chief executive's visit to Arizona this fall.

Tonight Governor Sloan will hold a conference with Mayor B. Christy of Phoenix and prepare an official schedule for the president. It is tentatively announced that Mr. Taft will receive his first formal welcome inside the territory at Phoenix, where he will deliver an address. After the conclusion of his remarks, he and his party will be taken on an automobile tour of the valley.

It is the governor's plan to have Taft see as much of the valley as the time at his disposal will permit. It is probable that the first plan to spend only an hour in Phoenix will be abandoned.

Governor Sloan will join the official party of the president at Yuma and remain with Taft until he leaves the territory. As the train passes through Tempe, on the way to Phoenix, the president will make an informal address from the platform.

Yesterday afternoon the governor received the verbal resignation of Sims Ely from the Arizona railway commission. No announcement has been made as to who Ely's successor will be, but there is a persistent rumor that W. P. McNair of Douglas will be the man. McNair was a candidate for a place on the commission before the appointment of Ely, Bicknell and Stoneman.

C. E. Perkins, of Nogales, is here visiting his mother and brother C. F. Perkins. We understand Mr. Perkins is a surveyor in the employ of the Government.
